

Dear Lincoln School Alumni!

Greetings to everyone from Kathmandu!! Once again we are very interested in having you connect with former friends, classmates, teachers and former Lincoln School families. Once you have updated your address, you also give me permission to give out your contact information to other alumni. This assists me in maintaining an up-to-date contact list of our former students, teachers and families of Lincoln School.

Please do not hesitate to contact me with any questions or ideas you may have about our Alumni Section. Our tentative date for the Alumni Party this year will be Friday, June 4, 2010 at the Hotel Vajra! Please mark your calendars!

Happy connecting!!
